

Housing Authority of the
County of San Bernardino
Building Opportunities Together

REQUEST FOR PROPOSAL – PC1425

FINANCIAL AUDIT SERVICES

I. INTRODUCTION

Our core work is to administer rental assistance programs to prevent homelessness among low-income households. As the largest provider of affordable housing in San Bernardino County, the Housing Authority of the County of San Bernardino (HACSB) proudly assists more than 27,000 people, most of whom are seniors, individuals with disabilities, veterans, and children. Since 1941, we have helped low-income families attain safe and stable housing through a variety of rental assistance programs funded by the U.S. Department of Housing and Urban Development (HUD). More than 11,000 families are served through voucher programs, which enable customers to lease housing in the private rental market, or through affordable housing communities owned by HACSB. Our largest program, the Housing Choice Voucher program, is America's largest homelessness prevention program. The affordable rental housing programs we administer provide a critical safety net for households in San Bernardino County.

Achieving safe and stable housing is only one step on the path toward self-sufficiency. To support our customers' needs beyond housing, HACSB has built and leveraged community partnerships that provide supportive services and opportunities. These partners provide a variety of services such as family/individual case management and counseling, career training and job placement, homeownership assistance, educational scholarships, and more. These services create a meaningful difference in the lives of families we serve.

In 2008, Congress designated HACSB as a Moving to Work (MTW) public housing agency. MTW is a national demonstration program for housing authorities created by Congress in 1996. Contrary to its name, the Moving to Work demonstration is not a work requirement program. Instead, the intent of the MTW demonstration is to provide policy and regulatory flexibility to housing agencies to design and test affordable housing strategies and related policies. This designation allows HACSB to waive some HUD requirements to target the statutory objectives of the MTW Demonstration: help clients achieve economic independence, ensure freedom of housing choice, and save taxpayer dollars through efficient work.

The demand for affordable housing continues to increase, and the limited affordable housing supply is not enough to house the thousands of families in need. Over the years we have expanded our housing stock to help meet the county's growing needs through acquisition, development, and redevelopment/expansion of our properties.

We value our vendors and contractors as partners in our mission to empower all individuals and families in need to achieve an enriched quality of life by providing housing opportunities and resources throughout San Bernardino County.

II. PURPOSE

The purpose of this Request for Proposals is to solicit responses from qualified companies to furnish services to the HACSB as identified in the "Scope of Work" of this request.

The Housing Authority of the County of San Bernardino (HACSB) was organized in 1941, under the U.S. Housing Act of 1937. HACSB has a governing Board of Commissioners, which are appointed by the County's Board of Supervisors. The seven commissioners serve this public agency and act as its Board of Commissioners. These individuals give generously of their time in an effort to provide decent and affordable housing to low-income families and seniors within the County of San Bernardino. An Executive Director appointed by the Board is responsible for managing the daily operations of the agency and overseeing a staff of approximately 130 employees. The annual budget for the Authority is approximately \$250 million.

The majority of our work is to provide rental assistance to low-income families either by housing families in the 2,204 units HACSB owns and manages or by providing subsidized housing assistance to a landlord for renting their housing unit to 10,798 assisted families. We provide housing assistance based on the number of rental assistance vouchers and other affordable housing units for which we are authorized and funded through the U.S. Department of Housing and Urban Development (HUD).

Comments concerning defects and objectionable material must be made in writing and received by the RFP contact at least ten days before the proposal opening. This will allow the issuance of any necessary addendum. It will also help prevent the opening of a defective solicitation and exposure of proposals upon which award could not be made. The optimal combination of quality, price, and various qualitative elements of required services will provide HACSB the greatest or best value for its money.

H. Right of Rejection

Offers must comply with all the terms of the RFP, and all applicable local, state, and federal laws, codes, and regulations. HACSB may reject as non-responsive any proposal that does not comply with all the material and substantial terms, conditions, and performance requirements of the RFP.

Proposers may not qualify the proposal nor restrict the rights of HACSB. If Proposer does so, the proposal may be determined to be a non-responsive counteroffer and the proposal may be rejected.

No proposal shall be rejected, however, if it contains a minor irregularity, defect or variation and if the irregularity, defect or variation is considered by HACSB to be immaterial or inconsequential, HACSB may choose to accept the proposal.

Minor informalities may be waived by the Procurement and Contracts Supervisor when they:

- Do not affect responsiveness;
- Are merely a matter of form or format;
- Do not change the relative standing or otherwise prejudice other offers;
- Do not change the meaning or scope of the RFP;
- Are trivial, negligible, or immaterial in nature;
- Do not reflect a material change in the work; or
- Do not constitute a substantial reservation against a requirement or provision;

In such cases the Proposer will be notified of the deficiency in the proposal and given an opportunity to correct the irregularity, defect or variation or HACSB may elect to waive the deficiency and accept the proposal.

This RFP does not commit HACSB to award a contract. HACSB reserves the right to reject any or all proposals if it is in the best interest of HACSB to do so. HACSB also reserves the right to terminate this RFP process at any time.

I. Clarification of Offers

In order to determine if a proposal is reasonably acceptable for award, communications by the Facilitator for the Evaluation Panel are permitted with a Proposer to clarify uncertainties or eliminate confusion concerning the contents of a proposal. HACSB assumes no responsibility for disclosure or use of unmarked data for any purpose. In the event disclosure of properly marked data is requested, the Proposer will be advised of the request and may expeditiously submit to the HACSB a detailed statement indicating the reasons it has for believing that the information is exempt from disclosure under federal, state, and local law. This statement will be used by the HACSB in making its determination as to whether disclosure is proper under federal, state or local law. Any such reduction or waiver for the entire term of the Agreement and any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. The contractor agrees to execute any such amendment within thirty (30) days of receipt.

(a) A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

(b) Notice of the requirement described in subdivision (a) shall be included in all bid invitations and public works contracts, and a bid shall not be accepted nor any contract or subcontract entered into without proof of the contractor or subcontractor's current registration to perform public work pursuant to Section 1725.5.

(c) An inadvertent error in listing a subcontractor who is not registered pursuant to Section 1725.5 in a bid proposal shall not be grounds for filing a bid protest or grounds for considering the bid nonresponsive, provided that any of the following apply:

(1) The subcontractor is registered prior to the bid opening.

(2) Within 24 hours after the bid opening, the subcontractor is registered and has paid the penalty registration fee specified in subparagraph (E) of paragraph (2) of subdivision (a) of Section 1725.5.

(3) The subcontractor is replaced by another registered subcontractor pursuant to Section 4107 of the Public Contract Code.

(d) Failure by a subcontractor to be registered to perform public work as required by subdivision (a) shall be grounds under Section 4107 of the Public Contract Code for the contractor, with the consent of the awarding authority, to substitute a subcontractor who is registered to perform public work pursuant to Section 1725.5 in place of the unregistered subcontractor.

(e) The department shall maintain on its Internet Web site a list of contractors who are currently registered to perform public work pursuant to Section 1725.5.

(f) A contract entered into with any contractor or subcontractor in violation of subdivision (a) shall be subject to cancellation, provided that a contract for public work shall not be unlawful, void, or voidable solely due to the failure of the awarding body, contractor, or any subcontractor to comply with the requirements of Section 1725.5 or this section.

(g) This section shall apply to any bid proposal submitted on or after March 1, 2015, and any contract for public work entered into on or after April 1, 2015.

Instructions to Offerors Non-Construction

U.S. Department of Housing
and Urban Development
Office of Public and Indian Housing

- 03291 -

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.
